

Access to Repsol SDS from repsol.com

1. SDS Finder

Access to the Repsol SDS library: in this search engine we will find SDSs for the products of the different companies of the Repsol Group.

Search for

Product Name contains

< choose a criterion >

Search **Show All** [Simple Search](#)

- To search for SDS we have 3 criteria:
 - ✓ Product Name
 - ✓ Manufacturer Name (Company name within the Repsol group)
 - ✓ Manufacturer Part #

Once we select the search criteria and what it contains, it will be necessary to click on “Search”

If we click on “Show All”, all the results of the Repsol SDS library will appear, without filtering by criteria.

Search for

Product Name contains

< choose a criterion >

Product Name

Manufacturer Name

Manufacturer Part #

Search **Show All**

2. Tab to download product information

Once the criteria and the search have been applied, the products will appear as follows:

The screenshot shows a search interface with the following elements:

- Search for:** Product Name (dropdown), contains (dropdown), REPSOL METAL 200 (text input) with a red 'X' icon.
- Criteria:** < choose a criterion > (dropdown).
- Buttons:** Search, Show All, and a link for Simple Search.
- Items per page:** 15 (dropdown menu).
- Table:**

<u>Product Name</u>	<u>Manufacturer Name</u>	<u>Mfg.Part #</u>
REPSOL METAL 200	REPSOL LUBRICANTES Y ESPECIALIDADES, S.A.	RP803J
- Page Info:** Page 1 of 1 (1 items) with navigation arrows.

There is the possibility of expanding the number of products per page of results.

Each product that contains the selected search criteria will appear as a result along with Product Name, Manufacturer Name, and Manufacturer Part #.

3. Access to the SDS

1. To access the available SDS of each product, it will be necessary to click on the icon:  that appears to the left of the product name.

2. A window will open with the SDS available for the product

The screenshot shows a search interface with the following elements:

- Search criteria: Product Name contains REPSOL METAL 200
- Buttons: Search, Show All, Simple Search
- Items per page: 15
- Table with columns: Product Name, Manufacturer Name
- Table content:

Product Name	Manufacturer Name
REPSOL METAL 200	REPSOL LUBRICANTES ESPECIALIDADES, S.A.

The 'Product Documents' window displays the following SDS entries:

Language	Country	SDS Date
<u>English</u>	GBR	May 22, 2020
<u>French</u>	FRA	May 22, 2020
<u>German</u>	DEU	May 22, 2020
<u>Italian</u>	ITA	May 22, 2020
<u>Portuguese</u>	PRT	May 22, 2020

Annotations in the image point to the underlined language codes, the country codes, and the SDS dates.

4. SDS Display

3. To View the SDS: click on View: [View](#) and the SDS will open in an internet browser window.

The screenshot shows a search interface for REPSOL products. The search criteria are set to 'Product Name contains REPSOL METAL 200'. The search results table lists 'REPSOL METAL 200' by 'REPSOL LUBRICANTES ESPECIALIDADES, S.A.'. Below the table, a 'Product Documents' window is open, displaying a list of SDS documents for 'REPSOL METAL 200' in various languages: English (GBR), French (FRA), German (DEU), Italian (ITA), and Portuguese (PRT). Each entry includes a 'View' link and a '3E' icon. An orange arrow points from the 'View' link in the search results to the 'View' link in the product documents window. Another orange arrow points from the '3E' icon in the product documents window to the explanatory text on the right.

With this icon you will access the link of the SDS, you can copy and paste it in the internet browser and you can access the SDS when needed.
