4. FIRST AID MEASURES

First aid measures

General Advice

Eye Contact       Wash with soap and water. Seek medical attention if irritation persists

Skin Contact      Flush eyes immediately with water for at least 15 minutes. If irritation persists, seek medical attention.

Inhalation        Remove to fresh air. Rest in half upright position. Seek medical attention if necessary.

Ingestion         If scent is accidentally ingested, immediately seek medical attention if necessary.
