Safety Data Sheet

Date of Preparation: October 23, 2014

Section 1: Product and Company Identification

Product Name: Ultra Shine Dishwashing Pacs 10CT
Unique reference number(s): WAZD028

Product Use: Powdered detergent for washing dishes in washing machines

Details of Manufacturer
Bay Converting Inc.
1330 Elizabeth St
Green Bay, WI 54302
Telephone: 1-920-431-9110

Emergency Phone Numbers
Contact physician
Emergency 24-hr CHEMTREC 1-800-424-9300

Section 2: Hazards Identification

Routes of exposure
Inhalation, Ingestion, Skin Contact, Eye Contact

Eyes
Accidental exposure will cause a mild but transient irritation

Skin
Mild skin irritation

Inhalation
May be irritating

Ingestion
Ingestion may cause gastrointestinal irritation, nausea, vomiting and diarrhea

Potential environmental effects
Considering the limited amount applied during use and the size of the container, the risk of adverse effects is considered small.

Section 3: Hazardous Ingredients

<table>

<tr>
<td>Sodium Dichloro-S-Triazinetrione dihydrate</td>
<td>2893-78-9</td>
<td>0.5-1.5</td>
</tr>
</tbody>
</table>

Section 4: First Aid Measures

Eye Contact:
In case of contact with eyes, flush with clean warm water for fifteen minutes. If discomfort continues, seek medical attention.

Skin Contact:
Wash affected area with mild soap and water. Rinse with plenty of water. If irritation develops or persists seek medical attention.

Inhalation:
Move to fresh air. Call a physician if symptoms develop or persist.

Ingestion:
Drink a glass of water. Do not induce vomiting. Call a physician or Poison Control Center immediately.
Section 5: Fire Fighting Measures
Environmental precautions: Prevent further leakage or spillage if safe to do so. Do not contaminate water.
Protection of firefighters: Wear full protective clothing, including helmet, self-contained positive pressure or pressure demand breathing apparatus, protective clothing and face mask.

Section 6: Accidental Release Measures
Keep unnecessary personnel away. Wear suitable protective clothing.
Prevent further leakage or spillage if safe to do so. Do not contaminate water.
In case of spills, beware of slippery floors and surfaces. Sweep or scoop up and remove.
Following product recovery, flush area with water.

Section 7: Handling and Storage
Use personal protective equipment as required. Avoid contact with skin. Keep container closed when not in use. Never return spills in original containers for re-use. Keep out of reach of children.
Store in a cool and well-ventilated place. Keep away from moisture.

Section 8: Exposure Controls – Personal Protection
Personal Protective Equipment: No specific personal protection is required.
Respiratory Protection: Not normally required
Ventilation: Normal ventilation is adequate
Protective Gloves: Not normally required. If prolonged or repeated contact is likely, protective gloves are recommended. Rubber gloves.
Eye Protection: Protect eyes from contact or splashes.

Section 9: Physical and Chemical Properties

<table>
<thead>
<tr>
<th>Physical State</th>

<tr>
<td>VOC Content</td>
<td>.7% w/w (calculated)</td>
<td>Upper Flammability</td>
<td>Not apply</td>
</tr>
</tbody>
</table>

Section 10: Stability and Reactivity
Chemical stability: This is a stable material.
Possible hazardous reactions: None
Conditions to avoid: Do not store near acids, or ammonia
Hazardous decomposition: Chlorine gas
Hazardous polymerization: Will not occur

Section 11: Toxicological Information

Section 12: Ecological Information

Safety Data Sheet

Date of Preparation: October 23, 2014

Sodium Carbonate (497-19-8) Acute Other LD50 Mouse: 118.6 mg/kg, 30.00 Days
Sodium Silicate (1344-09-8) Acute Oral LD50 Mouse: 1100 mg/kg
Sodium Dichloro –S-Triazinethione dihydrate (2890-78-9) Acute Oral LD50 Rat: 1.1 g/kg
Acute Oral LD50 Rate: 1420 mg/kg
General Ecological Information: Based on ecotoxicity and fate data for the individual ingredients in this specific formulation, and for related consumer household cleaning products formulations, this product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment at relevant environmental concentrations. This product is intended for dispersive use and should not be disposed of directly into the environment.

Section 13: Disposal Considerations
Disposal instructions:
This product, in its present state, when discarded or disposed of, is not a hazardous waste according to Federal regulations (40 CFR 261.4(b)(4)). Under RCRA, it is the responsibility of the user of the product to determine, at the time of disposal, whether the product meets RCRA criteria for hazardous waste. Dispose of contents/container in accordance with local/regional/national/international regulations.

Section 14: Transport Information
Not regulated as dangerous goods to IMDG
Not regulated as dangerous goods to USA DOT
Not regulated as dangerous goods to IATA

Section 15: Regulatory Information
US Federal Regulations:
This product is a “Hazardous Chemical” as defined by the OSHA Communication Standard 29 CFR 1910.1200

Canadian Regulations:
All ingredients are CEPA approved for import into Canada. This product has been classified in accordance with hazard criteria of the Controlled Products Regulations and the SDS contains all the information required by the Controlled Products Regulations.

Section 16: Other Information
HMIS® ratings
Health: 2
Flammability: 0
Physical Hazard: 0

NFPA ratings
Health: 2
Flammability: 0
Inflammability: 0

Disclaimer
This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained herein has been compiled from sources considered by Bay Converting Inc. to be dependable and is accurate to the best of the Company’s knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposures, property damage or release to the environment. Bay Converting Inc. assumes no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the product.
